

# THE PERFECT *location*

Elevation Ten Winery is located in the Old Sugar Mill, located in the quaint river town of Clarksburg. Only 15 minutes south of Downtown Sacramento, this unique tasting room offers a great location for your next staff meeting, fundraiser, company party or special event!

Our large open floor plan includes a spacious tasting room, complete with a flat screen television, two wine bars, and a beautiful dining table with seating for ten. Our cozy wine club lounge also boasts a second flat screen television and comfortable lounge seating. Our back storage area can easily be converted into event seating, opening up to the Old Sugar Mill's rustic back patio.

Our 55" flat screen TVs are perfect for slideshows, presentations or event graphics. Our tasting room staff can help you facilitate all of your audio visual needs.

During your event, you will be able to offer your guest our selection of artisanal wines created by our wine maker Marco Cappelli. Your event package can include wine tasting for each guest or you can purchase a wine package to be served by the glass. Each wine is hand-crafted and is a great companion to catered meals, fruits, cheeses or desserts.
