

# ELEVATION TEN

## *Festivo*

### California

#### TASTING NOTES

Festivo is the perfect wine for summer picnics or just sipping by the pool. This off-dry wine showcases rich red fruits including black cherry and raspberry, and is the perfect wine for your summer sangria recipes and hot mulled wine creations in the winter.

#### WINE MAKERS NOTES

Our Festivo takes a California approach to Old-World grapes such as Tempranillo, Primitivo and Sangiovese. For this particular blend we found that balancing the hearty deep flavors and structure of Tempranillo, the fruitful expression of Primitivo, and the bright fruity palate of Sangiovese makes a delightful core to this blend. With just a small percentage of our California Port-Style dessert wine, we hope you find this wine to be truly festive!
